

GARY & KAREN SIMKIN FAMILY CHILD DEVELOPMENT CENTER

When to Expect Confirmation of Acceptance

Thank you for completing the application form for the Jewish Community Centre Preschool/Daycare program. Please ensure that you have carefully read and signed the Registration/Withdrawal forms. Many people like to know when to expect confirmation of acceptance and other related processes.

- 14 March: You will receive confirmation of acceptance in the program or you will be notified of your status on the Wait List. Please ensure you inform us of any address changes.
- 16 July: An Information Package will be mailed out, including required forms to be completed, a school calendar and Fee Schedule.
- 25 August: First fee installment payment is due and your cheque or credit card will be processed. Please ensure that you have a payment plan in place by June 15.

Your careful attention to reading all material in your information package is much appreciated. Licensing requires that all necessary documents must be complete and with your teacher before you leave your child with us in September. Please bring these completed documents to the parent orientation meeting in early September or drop them off with your teacher or the Director by the first day of school.

If you have any questions, please contact Nancy at 604-257-5111 ext. 331 or 246 or via email: nancy@jccgv.bc.ca.
